Dear Madam, Dear Sir,

We have the pleasure of sending you herewith no. 8/2006 of our Newsletter "Legal Information".
We hope you will enjoy reading it.

1. New Guide for Innovative and Creative Minds

Invent, Produce, Market. Inventors and innovative entrepreneurs are familiar with this process. However they are less familiar with intellectual property rights even though patents, trademarks, designs and copyrights can play a decisive role. The Guide has been created with these people in mind: <http://www.ige.ch/E/einstieg/e2.shtm>.

On 12 June 2006, Switzerland deposited its instruments of ratification of the EPC Revision Act and the Language Agreement. For more information: <http://www.ige.ch/E/jurinfo/j10006.shtm>.

Yours sincerely,

Federal Institute of Intellectual Property
