Ricerca di marchi simili verbali (immediata)

Berna, 31 gennaio 2020

Rapporto di ricerca

XEMPL

Ricerca di marchi simili verbali (immediata)

Suo ordine del	31.01.2020
Registro/i esaminato/i	Registro svizzero dei marchi e registro internazionale dei marchi (OMPI)
Classe/i esaminata/e	3, 5, 7, 9, 12, 16, 25, 34, 35
Data	31.01.2020
Ricercatore responsabile	Olivier Hayoz

Estensione della ricerca: la ricerca tiene conto dei dati relativi alle registrazioni e alle domande di registrazione svizzere e dei dati relativi alle registrazioni internazionali pubblicati in "Swissreg" o nella banca dati online "Madrid Monitor" il giorno prima dell'inizio della ricerca.

Tipo	Considerati fino al	Risultati
Marchi svizzeri	742205	3
Domande di registrazione di marchi svizzeri	-	0
Registrazioni internazionali di marchi con estensione di protezione alla Svizzera	1514024	7
Registrazioni internazionali di marchi senza estensione di protezione alla Svizzera	1514024	9

Informazione importante concernente gli elenchi di merci e servizi:

Le traduzioni in inglese degli elenchi di merci e servizi sono, se annotato conformemente, generate automaticamente da un programma di traduzione. Dal momento che i testi generati non sono in alcun modo rielaborati non ci assumiamo nessuna responsabilità quanto alla loro correttezza e completezza. Le traduzioni automatiche hanno un valore puramente informativo e non sono giuridicamente vincolanti.

1. Informazioni utili sul rapporto di ricerca

Cosa fare, una volta ottenuto il risultato della ricerca?

Il rapporto di ricerca serve da base per decidere se inoltrare una domanda di registrazione per il Suo marchio o meno. Il rapporto contiene una selezione il più possibile precisa e completa di marchi identici o simili, suscettibili di essere confusi con il Suo marchio. In caso di dubbio, il rapporto conterrà un risultato di troppo piuttosto che tralasciare un marchio. (La preghiamo tuttavia di considerare il fatto che, a seconda della stampante utilizzata, i marchi colorati possono risultare di qualità variabile ; per questo motivo l'IPI non può garantire l'autenticità dei colori.)

È possibile far registrare il proprio marchio senza dover prevedere opposizioni?

A questa domanda non è possibile dare una risposta definitiva, poiché a seconda del tipo di marchio (descrittivo o di fantasia) e della sua realizzazione grafica (con o senza elementi figurativi) il problema della possibilità di confusione può essere giudicato secondo criteri differenti. Inoltre nessuno conosce il Suo prodotto e il relativo mercato meglio di Lei; per tale motivo nessuno meglio di Lei è in grado di decidere - sulla base del rapporto di ricerca - se un altro segno può dar adito a confusione con il Suo marchio.

Nel nostro foglio informativo "Rischio di confusione: sì o no?", pubblicato su questo [sito](#) trova utili informazioni in merito.

In caso di dubbi o per una valutazione giuridica di potenziali conflitti del Suo marchio con vecchi segni Le raccomandiamo di consultare un rappresentante in materia di marchi (sul sito www.ip.search.ch è pubblicata una lista di indirizzi).

È possibile un conflitto fra un marchio e il nome di una ditta?

Un tale conflitto è effettivamente possibile. Per farvi un'idea delle ragioni commerciali già registrate rivolgetevi all'Ufficio federale del Registro di Commercio.

Quali marchi non possono essere protetti?

Esclusi dalla protezione relativa ai marchi sono i segni semplici o banali (come singole cifre o lettere dell'alfabeto), indicazioni di origine, denominazioni di cose o formulazioni descrittive, così come segni in contrasto con la morale e l'ordine pubblici e segni contrari alla legge o suscettibili di indurre in errore. Esclusi sono inoltre le bandiere nazionali o altri contrassegni pubblici.

La possibilità di confusione fra un nuovo marchio e uno già protetto non viene giudicata dall'IPI, ma eventualmente dal giudice competente, con un'eccezione: entro tre mesi dalla pubblicazione di un marchio in Swissreg è possibile sollevare opposizione contro la registrazione di tale marchio presso l'IPI. Tale procedura è relativamente semplice e poco costosa.

Cosa fare per registrare il Suo marchio nel relativo registro?

Per depositare un marchio online basta seguire le istruzioni sul sistema di deposito elettronico e-trademark [e-trademark](#) (incl. spiegazioni per compilare correttamente il modulo). Il deposito è possibile anche trasmettendo il modulo per posta o e-mail (tm.admin@ekomm.ipi.ch). Altre informazioni in merito sono reperibili sul sito www.ipi.ch.

3. Marchi svizzeri

Risultati: 3

Considerati fino al: 742205

Termine d'opposizione

L'opposizione deve essere inviata per scritto all'Istituto entro tre mesi dalla pubblicazione della registrazione (art. 31 cpv. 2 LPM). Il termine non può essere prorogato (art. 22 cpv. 1 PA) e il proseguimento della procedura è escluso in caso d'inosservanza del termine (art. 41 cpv. 4 lett. c LPM).

Attualmente i marchi svizzeri sono pubblicati in Swissreg (www.swissreg.ch), la banca-dati online dell'Istituto Federale della Proprietà Intellettuale.

Il termine di opposizione decorre a partire dalla pubblicazione del marchio svizzero in Swissreg. Quindi il termine di opposizione decorre a partire dalla mezzanotte del giorno della pubblicazione.

Il termine scade il giorno dell'ultimo mese che corrisponde per numero al giorno da cui comincia a decorrere. Mancando tale giorno nell'ultimo mese, il termine scade l'ultimo giorno dell'ultimo mese (art. 2 OPM). Se l'ultimo giorno del termine è un sabato, una domenica o un giorno riconosciuto festivo dal diritto federale o cantonale, il termine scade il primo giorno feriale seguente. È determinante il diritto del Cantone ove ha domicilio o sede la parte o il suo rappresentante (art. 20 cpv. 3 PA).

Esempio per il computo dei termini:

Pubblicazione di un marchio svizzero in Swissreg del 17 febbraio 2006: decorrenza del termine dal 17 febbraio 2006 ore 24:00; scadenza del termine 17 maggio 2006 ore 24:00.

Le date relative al termine di opposizione sono date a titolo indicativo e non impegnano in nessun modo la responsabilità dell'Istituto.

4. RegISTRAZIONI internazionali di marchi con estensione di protezione alla Svizzera

Risultati: 7

Considerati fino al: 1514024

Termine d'opposizione

Le opposizioni devono essere inoltrate all'Istituto entro tre mesi dalla pubblicazione della registrazione (art. 31 cpv. 2, della legge federale del 28 agosto 1992 sulla protezione dei marchi e delle indicazioni di provenienza, LPM). Le registrazioni internazionali sono pubblicate nell'organo di pubblicazione designato dall'OMPI (al momento la "Gazette OMPI des marques internationales", art. 43 cpv. 1 OPM, art. 44 cpv. 2 LPM in relazione con la Regola 32 GAFO). Le opposizioni vanno presentate per iscritto ed in doppia copia all'Istituto Federale della Proprietà Intellettuale, Stauffacherstrasse 65/59g, 3003 Berna.

Nell'ambito delle registrazioni internazionali, il termine comincia a decorrere dal primo giorno del mese seguente quello in cui il marchio è stato pubblicato nella "Gazette" (art. 50 cpv. 1 OPM).

Il termine scade il giorno dell'ultimo mese che corrisponde per numero al giorno da cui comincia a decorrere. Mancando tale giorno nell'ultimo mese, il termine scade l'ultimo giorno dell'ultimo mese (art. 2 OPM). Se l'ultimo giorno del termine è un sabato, una domenica o un giorno riconosciuto festivo dal diritto federale o cantonale, il termine scade il primo giorno feriale seguente. È determinante il diritto del Cantone ove ha domicilio o sede la parte o il suo rappresentante (art. 20 cpv. 3 PA).

Esempio: Pubblicazione di una registrazione internazionale nella "Gazette" del 17 febbraio 2006: decorrenza del termine dal 1° marzo 2006 ore 24:00; scadenza del termine il 1° giugno 2006 ore 24:00.

Le date relative al termine d'opposizione sono date a titolo indicativo e non impegnano in nessun modo la responsabilità dell'Istituto.

Rifiuto definitivo di protezione

La preghiamo di prestare attenzione al fatto che la notifica del rifiuto definitivo di una registrazione internazionale con estensione della protezione alla Svizzera non ha necessariamente un carattere definitivo. Il sistema di Madrid prevede infatti la possibilità di notificare varie decisioni in merito alla protezione di un marchio. È possibile conoscere lo stato attuale di una procedura facendo richiesta presso l'IPI di esame degli atti gratuito, relativamente al dossier riguardante la parte svizzera della domanda di protezione.
