## **Lectures**

A lecture given by one of our experts adds great value to any event. Make a lasting impression with a specialist presentation, whether it be about IP in general or a specific topic related to IP rights. You determine the subject and the duration of the presentation. Our experts speak at higher education institutes, universities, SME events, at companies or start-up funding agencies.

Previous topics have included:

- > How ideas become innovations and the role of IP
- > Copyright training
- > Great ideas can be stolen
- > Trade mark law
- > Crash course in IP
- > 'Impulse apéro' event – how can we protect ideas?
